

Agriculture & New York State
Horse Breeding Development Fund

Measurement Report 2015

In accordance with Section 2824-a of PAL, the Agriculture and New York State Horse Breeding Development Fund (the fund) hereby reports its measurement of the Fund's performance and achievement of its mission during the 2015 year.

Measurements:

1) Promote agriculture through breeding of standardbred horses -		
Monies provided to Breeders Awards -	\$	949,927
Monies provided to Race Purses -	\$	13,769,600
Monies provided to Equine Education -	\$	131,748
2) Promote Equine Research		
Monies provided to Harry M. Zweig Grant -	\$	296,064

Using the above measurements the Fund is satisfied that it has fulfilled its mission statement for the year 2015.
