The Agriculture and New York State Horse Breeding Development Fund (the Fund) is a public benefit corporation established in 1965 by the Laverne Law (Laws of New York, Chapter 567 of the Laws of 1965). The mission of the Fund is to promote agriculture through the breeding of standardbred horses and the conduct of equine research within the State. To carry out its legislative mission, the Fund administers the New York Sire Stakes races, Excelsior/State Fair Series races, and County Fair Races. Additionally, the Fund provides assistance to county agriculture societies and contributes to the statewide 4-H program and to the Harry M. Zweig Fund for Equine Research.

Members of the New York State Legislature

The Trustees of the Agriculture and New York State Horse Breeding Development Fund are pleased to present the Fund's 2019 Annual Report.

Agriculture is one of New York's leading domestic economic sectors and the state is noted for its diversity of products, including Standardbred horses. The Fund administers the New York Sire Stakes program, the nation's oldest harness racing program of its kind. The Fund's primary mission is to promote and preserve agriculture through the promotion of horse breeding and the conduct of equine research in New York State.

The performance of New York-bred horses in the breeding shed and on the racetrack, along with demand for them in the auction ring, demonstrate the value of the New York Sire Stakes program. Last year events were contested for New York-breds in three different tiers to provide horses of all abilities the opportunity to earn and learn. Purses totaled \$14.8 million dollars for New York-breds and breeders will be returned \$1 million in Breeders Awards.

New York Sire Stakes stars showed their skill on the state's seven harness tracks and across the country. In fact, three of the 12 Breeders Crown Champions in October—one of the sport's premier events—were bred in New York. Here in the Empire State, our horses also toppled track and earnings records in a season to remember. Read all about the success of our horses starting on page 14.

New York stallions remained among the leading national earners and offspring were highly sought after by breeders. New York boasts the leading trotting sire in the country by average earnings per starter for 3 year olds and New York stallions were among the top five nationally at both gaits for 2 year olds and 3 year olds. In addition, New York-breds continued to garner strong prices at the yearling sales, averaging \$51,932 and \$46,569 at both premier sales in the country, the Lexington Selected Yearling Sale and the Harrisburg Yearling Sale, respectively.

In addition, the Fund provided \$150,000 in monies for equine education and promotion and more than \$300,000 in funds for the Harry M. Zweig Memorial Fund for Equine Research at Cornell University College of Veterinary Medicine. These efforts help the Fund fulfill its mission and purpose.

As the demand and quality of New York horses continues to be strong, so will the economic and agricultural benefits that the Standardbred breeding and racing industries provide to the State of New York. The Agriculture and New York State Horse Breeding Development Fund will continue to promote and support this progress and is excited to share these results with you.

DISPERSAL OF FUND MONEY 2019

The Agriculture and New York State Horse Breeding Development Fund's disperses money through:

- a) County- and town-fair reimbursements for Repairs/property improvements (maximum \$6,000) and Racing Administration. (2019 Fees Paid - \$40,850.) Total number of fairs that conducted a New York Sire Stakes racing program in 2019 was 20.
- b) Prize money of \$24,000 plus horsemen fees allocated to competing horsemen at each of the 20 participating county and town fairs, including County Fair finals.
- c) Prize money, listed as "Stakes Purses," for upper-echelon races (Sire Stakes and Excelsior events). This money was distributed to the seven NY pari-mutuel tracks and Goshen. The pari-mutuels are Batavia in Genesee County; Buffalo in Erie County; Monticello in Sullivan County; Saratoga Raceway in Saratoga County; Tioga Downs in Tioga County; Vernon Downs in Oneida County, and Yonkers in Westchester County. Goshen is in Orange County.

ECONOMIC IMPACT

OVERVIEW

Standardbred racing and breeding in New York State generates \$795 million annually. Racing at the state's seven pari-mutual harness tracks generates capital investments, local jobs and state and local taxes, while the breeding industry drives yearling auctions in the state and agricultural benefits like purchasing of farm equipment and farm products and preserving working farmlands. A 2012 study found that each racehorse in the state generates \$92,100 in economic impact and 80 jobs are created for every 100 horses. Both the breeding and racing of Standardbreds in the state are interconnected to generate the largest possible impact on the economy. As you can see in the chart (next page), since the installation of VLTs at racetracks after 2001, the total economic impact of harness racing in the state increased 190% to \$795 million. During the same period, total jobs generated by the industry nearly tripled to just over 6,500.

RACING

A state breeding program can only be successful if it attracts the quality of stallions and mares that can produce champions. The excellence of New York-bred horses was on display at racetracks around the country in 2019. In addition, New York-bred horses swept the Dan Patch Awards for Older Trotters. These divisional honors are voted on by the U.S. Harness Writers Association and celebrate the best horses in the country each year. The top Mare Trotter went to Atlanta and the top Male Trotter went to Six Pack, both of which graduated from NYSS ranks to show off in the top open events in 2019.

While breeders and owners hope for a horse that can compete on the national stage for the largest purses, yearling buyers demand a strong Sire Stakes program when selecting a horse to

ensure the greatest potential to earn money and New York provides a secure future. Almost \$14.8 million was distributed as purses for New York-bred horses in 2019. That was available for horses competing in three different tiers of the program and in the Empire Breeders Classic. A total of 35 horses earned more than \$100,000 in Sire Stakes action alone in 2019 and the highest single earner took home \$339,075 in Sire Stakes purses for her connections. This earning potential makes New York a very attractive destination for breeding and racing.

ECONOMIC IMPACT

BREEDING

The New York Sire Stakes is unique in that it requires mares to be bred by stallions within the borders of the state. This means that while other states may only generate agricultural benefits from the stallions residing there, New York also benefits from the mares. Additionally, the state's Breeders Award program incentivizes mares who live in the state for at least 180 days, much longer than it would take to just breed them and confirm pregnancy. This longer stay enhances the economic benefit realized by the state. If the offspring of those "resident" mares perform well in the New York Sire Stakes program, the breeder (owner of the mare at the time of the mating) receives a financial award.

Total Breeders Awards for the 2019 racing season are \$1 million. Breeders also generate income from selling offspring at yearling sales. Two yearling auctions are held in the state at Goshen in Orange County and at Morrisville State College in Madison County. You can see more information on the results of these sales on page 25. As New York-bred horses continue to be desired by buyers, they will generate strong returns for New York breeders and encourage more investment in the state.

The Breeders Awards program and its financial return to breeders has worked to attract breeders to the state and encourage them to invest greater in their operations.

EQUINE RESEARCH

In 2019, the Fund contributed \$300,370 to the Harry M. Zweig Memorial Fund for Equine Research for a variety of medical research projects.

The Harry M. Zweig Memorial Fund for Equine Research honors the late Dr. Harry Zweig, a distinguished veterinarian, and his numerous contributions to the state's equine industry.

In 1979, by amendment to the pari-mutuel racing and wagering law, the New York State legislature created the Harry M. Zweig Memorial Fund for Equine Research to promote equine research at the Cornell University College of Veterinary Medicine.

The Harry M. Zweig Committee was established for the purpose of administering the fund and is composed of individuals in specified state agencies and equine industry positions and others who represent equine breeders, owners, trainers, and veterinarians.

The Fund is proud to support the Harry M. Zweig Memorial Fund for Equine Research. This first-rate research helps to provide protection and preventative planning for the equine industry, which in turn helps to ensure a healthy and positive future for the horse racing industry.

By law the Agriculture and NYS Horse Breeding Development Fund contributes two percent of its yearly revenue to the equine research fund.

2019 BREEDING REVIEW

Breeders Continue to Score in 2019

By M. Kelly Young

Breeders of New York-bred horses continued to cash in during 2019 with the backing of the New York Sire Stakes (NYSS) program behind them. Breeders have two primary avenues to earn in the program: first, through selling the yearlings they raise and, second, through Breeders Awards earned by that produce when they reach the racetrack.

A total of 386 New York-bred yearlings were offered at the two select yearling sales in the U.S. and the two public auctions in New York State in 2019. This constituted nearly one-quarter of the total horses offered at those four sales. Overall, the yearlings averaged sale prices just under \$40,000.

The top yearling price was \$280,000 for an American Ideal pacing colt that sold at the Harrisburg Yearling Sale. The top trotting yearling was \$270,000 for a Chapter Seven colt at the Lexington Selected Sale. A total of 29 New York-bred yearlings brought prices of \$100,000 or more.

Once these yearlings are trained down and make it to the races, their earnings in NYSS program events will earn their Breeders additional money. The Breeders Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based award.

Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. Each year, mare owners must certify that their mare has met these requirements and the Fund uses inspectors to verify residency status. Residency requirements help ensure an agricultural benefit back to the state.

Breeders Awards payments are based on NYSS race participation during the calendar year. This calculation is made each year depending on the pool of resident mares and the Sire Stakes program earnings of the resulting foals.

\$1 million in Breeders Awards have been distributed in recent years and the Fund again plans to distribute this amount to the breeders of horses in 2020.

2019 RACING REVIEW

Gimpanzee wins Breeders Crown at Mohawk

Gimpanzee became a two-time Breeders Crown and NYSS Champion in 2019, a feat that pushed the Chapter Seven colt over \$1.7 million in career earnings.

EMPIRE STATE STANDBREDS HAVE ANOTHER RECORD- BREAKING SEASON

BY TIM BOJARSKI

There has been a very high bar set in New York when it comes to breeding Standardbred horses since pioneering the first state-bred stakes series in 1965. The program that was initiated to promote agriculture has evolved into one of the sport's preeminent producers of trotters and pacers, churned out champion racehorses for decades.

It was another banner year in 2019 with three New York-bred horses earning Breeders Crown championships and dozens more winning stakes races and setting new race records across North America. And these horses are achieving at the highest levels at all ages.

Here are some of the New York-bred stars that made headlines this past year.

GIMPANZEE (Chapter Seven-Steamy Windows-Muscle Massive) 1:51.1 (\$1,720,111) was named the Dan Patch 2-year-old trotting colt of 2018 after he went a perfect nine-for-nine, winning the New York Sire Stakes (NYSS) final and the Breeders Crown.

This year, his 3-year-old season started off much the same way as he remained undefeated through his first four races of the year, including winning the Empire Breeders Classic. Then after finishing third in the Hambletonian, Gimpanzee bounced back with a Yonkers Trot victory and set new North American and track records in that race. He then won a second NYSS championship, a second Breeders Crown and the Matron Stake where he took a new lifetime mark of 1:51.1.

His performances in 2019 landed him third in earnings among all 3-year-old and aged Standardbreds in North America, behind Bettor's Wish and his stablemate Greenshoe.

SIX PACK (Muscle Mass-Pleasing Lady-Cantab Hall) 1:49.1 (\$1,939,604) has been one of the most prolific trotters ever bred in New York. As a 2-year-old he raced mainly in the NYSS

and became a champion of the series, however much bigger things were yet to come.

In his sophomore campaign last year, Six Pack went 11 of 18 with several notable wins that included the Empire Breeders Classic, the Dancer Memorial, the Yonkers Trot and the Matron Stake. But none of those wins would outshine his effort at the Red Mile when he became the first sub-1:50 3-year-old trotter in history after winning the Kentucky Futurity in 1:49.1 to set a new world record.

In 2019 Six Pack did the best racing of his career. He finished second to Atlanta by a neck in the Graduate in 1:49.1 and third in the Cashman Memorial. Next he won the Allerage Trot at the Red Mile in 1:49.2 and set another new world record, this time for a 4-year-old trotting horse. He then got parked every step of the mile from post 10 in the Breeders Crown and still finished second to International trotting star Bold Eagle in 1:52 over an off-track. His final career start was stellar win in the TVG Open in 1:50 before retiring to stand stud.

AMERICAN HISTORY (American Ideal-Perfect Touch-Camluck) 1:47 (\$1,089,556) got a slow start as a 2-year-old but still won three races. During a very busy 3-year-old campaign he competed in the North American Cup, the Meadowlands Pace, the Adios, the Cane Pace, the Empire Breeders Classic and the Breeders Crown. He also won the Kentucky Sire Stake final and the Tattersalls Pace.

American History came back to the races at four in 2019 and tied the all-age track pacing record of 1:49.3 at Yonkers in a 4-year-old Open pace, won the Bobby Quillen Memorial in 1:49.3 and then scored a convincing Breeders Crown victory over a strong field of aged pacers in 1:48.3.

Hickfromfrenchlick Shoots and Scores

Hickfromfrenchlick was one of three winners on the New York Night of Champions for sire So Surreal. “Hick” earned \$500,000 in his sophomore campaign and the honor of USTA District 8 Horse of the Year.

ATLANTA (Chapter Seven-Hemi Blue Chip-Cantab Hall) 1:49.1 (\$1,910,639) won just about everything in 2018 and became the first filly to win the Hambletonian since 1996. She finished the year by winning the Kentucky Filly Futurity and finishing second in the Breeders Crown. Her amazing efforts earned her both the Dan Patch 3-year-old filly Trotter of the Year and Dan Patch Trotter of the Year awards.

At age four in 2019, Atlanta started out winning six straight races including the Armbrø Flight and the Graduate. She then finished second by a half-length to Guardian Angel AS in the Maple Leaf Trot in 1:50.4 before winning the Charlie Hill Memorial in 1:51.4 a week later. She closed out the year with a third in the Breeders Crown and a second in the TVG Mares trot, getting beaten just a head at the wire after cutting the mile in 1:51.4.

GUARDIAN ANGEL AS (Archangel-Provide As-Allstar Hall) 1:50.4 (\$1,315,040) has steadily gotten better with age. Lightly raced at two, he returned at three and competed in the Hambletonian, Yonkers Trot and the Breeders Crown where he finished fifth.

His 4-year-old campaign saw him take a new lifetime mark of 1:50.4, win two stakes and a few Open series and almost equal his previous year’s earnings of a quarter-million dollars. But his best was still to come.

2019 was definitely a career year of Guardian Angel AS. His seven wins were highlighted by victories in the Maple Leaf Trot, the Spirit of Massachusetts Trot and the Maxie Lee. But he became a world record holder at Northfield Park when he won the Cleveland Trotting Classic in 1:52 to become the fastest older trotting horse ever over a half-mile track.

His \$798,294 in earnings in 2019 more than doubled his lifetime income of the previous three years and has him the third richest aged Standardbred in North America for 2019 behind McWicked and Shartin N.

WINNDEVIE (Credit Winner-Vida De Vie-Muscles Yankee) 1:53 (\$787,682) won five out of six NYSS starts as a 2-year-old and also won the final. In 2019 at three, she won four more NYSS events and finished second in the final after getting a tough overland trip. However, she also ventured onto the

Grand Circuit for the first time and won the Breeders Crown in a lifetime best clocking of 1:53 over an off track. Winndevie finished the year as the sixth richest 3-year-old trotter in North America of either sex.

AMERICAN MERCURY (American Ideal-Tessa Hanover-Somebeachsomewhere) 1:49.3 (\$745,530) had only two wins at two and his best effort last year was a win in an Excelsior “A” division at Vernon Downs. However, in 2019 at three, American Mercury won five NYSS events and raced in the Little Brown Jug where he finished third to Southwind Ozzie. But his defining moment came in August when he beat Bettor’s Wish at the wire to capture the Messenger Stakes in 1:51.3 at Yonkers. American Mercury ended the year as the fifth richest 3-year-old pacer in North America.

SHAKE THAT HOUSE (American Ideal-Shake That Junk-Camluck) 1:47.4 (\$687,767) was lightly raced at two but made the most of his sophomore season last year. His seven wins and \$583,914 in purses was highlighted by a win in the Max C. Hempt Memorial followed by a 1:47.4 win at Vernon Downs in a NYSS event his very next start. That time made him the second fastest 3-year-old pacer in North America in 2019 behind Captain Crunch (1:47.2). He also finished as the sixth richest 3-year-old pacer in North America right behind American Mercury.

HICKFROMFRENCHLICK (So Surreal-My Girl’s A Star-Art Major) 1:48.4 (\$638,677) won four of seven starts as a 2-year-old that included the Lawrence B. Sheppard Pace. However in 2019 he really matured, winning 11 out of 15 races including four NYSS races, the NYSS final and the Empire Breeders Classic. He ended his year winning eight straight races from August through October and was named the United States Trotting Association’s District 8 Horse of the Year.

The caliber of horses being bred in the Empire State has never been more evident on the National racing scene as they were in 2019. As the Sire Stakes program continues to drive this mission, future generations of champion Standardbreds will continue to be bred in New York to take on the world’s best.

NEW YORK SIRE STAKES PROGRAM

NEW YORK SIRE STAKES

The most talented NY bred two- and three-year-olds vie for enhanced purses at pari-mutuel tracks throughout the state.

EXCELSIOR SERIES

A second-tier program designed for late blooming two- and three-year-olds, with multiple legs leading to a lucrative final for the leading point earners in the series. Part of the Excelsior series includes the State Fair series pari-mutuel meet that features two- and three-year-old races for New York-bred trotters and pacers. Additionally, three-year-old races are held at Goshen Historic Track.

COUNTY FAIR SERIES

Championship races at each age and gait give New York State's local summer fairs a unique twist. It's the best "earn as you learn" program in Sire Stakes racing with non pari-mutuel racing at more than 20 agricultural fairs throughout New York State.

The New York Sire Stakes is the state's premier harness racing program designed to promote the breeding, buying and racing of Standardbred horses in New York State. The New York Sire Stakes is the nation's oldest harness racing program of its kind.

INDUSTRY COMMENTS

“There are some excellent horses coming out of New York; the breeding is great and the competition is second to none. I really like racing 2- and 3-year-olds. I like helping them to develop and seeing when the light bulb comes on in their head as they mature. It’s very gratifying to know you had a part in that growth.”

Tyler Buter
Driver

“I will be shopping for New York horses at the sales this fall and if I can find something I like I will definitely try to buy them. I like the New York circuit. It’s good money and a good program for us.”

Marcus Melander
2019 U.S. Trainer of the Year

“The Night of Champions is always a very special place to be with top-notch names on the Grand Circuit in one place at the same time. The New York Sire Stakes program is just first class.”
