**Please note the Animal Health Requirements for admission to the New York State County Fairs.*

For more information on racing or sponsorship opportunities contact:

Cathy Gearwar at fourgears@shoreham.net or by phone at (802) 537-2145.

What is RUS?

Also known as Monte Racing, RUS is a hybrid between harness and thoroughbred racing. RUS is an exciting part of international Standardbred racing and is conducted daily at most European tracks as part of their regular pari-mutuel wagering programs. The sport has not yet become a wagering event in the U.S.

**Come see what the excitement is all about!
WE HOPE TO SEE YOU THERE!**

HEALTH REQUIREMENTS

The New York Sire Stakes program is not implementing separate health requirements for racing this year, but individual county fairs may have requirements in place and horsemen will be required to comply. Be prepared to wear a mask and/or follow the instructions of fair officials at each location if this is the case.

NEW FAIR LOCATIONS

Genesee County— Batavia Downs (July 15): You know the drill, use the regular race paddock and enjoy the larger track and charted lines.

Ontario County— Canandaigua (July 27): The first time hosting harness racing over a clay track that has been used for car racing. USTA has reviewed and licensed this track and the fairgrounds consulted with a well-known trackman who gave the thumbs up to the surface and helped map out the oval and instructed on how to groom it for harness horses. A wide surface, but slightly shorter than a half, so follow the instructions of the starter.

Madison County— SUNY Morrisville (Aug. 20): We will be using the track that is across the street from the yearling auction barns. Those barns will be used for stabling and traffic assistance will be provided to move horses across the road.

ENTERING HORSES

Entries for New York County Fair Events are made through the NY County Fair Entry Hotline at 518-388-0964 or online through the USTA. If you are entering online, be sure to add the fair tracks to your account in advance, particularly any new locations. All post positions will be done by USTA's electronic draw system.

There is one exception: entries for the Erie County Fair/Hamburg (July 9) will be taken online or by the Buffalo Raceway race office directly: 716-649-1280 x6235

Entries for **ALL OVERNIGHT** events should be made by calling the fair race secretary directly. This number is included on the following pages for each fair. Entries for Racing Under Saddle events will be taken by RUS-NY directly.

Entries for County Fair Finals at Goshen (Sept 5) will also be taken through the Hotline or online. No qualifying line is required as it is not a pari-mutuel track. Specific information for finalists will be available later in the season.

CANCELLATIONS

In the event of a cancellation of either the full card or once the card has begun, each horse on the grounds for the uncontested event at the time of declaring off will receive 10 points. Purses will be prorated among the horses on the grounds at post time and all horses present will receive a start toward the Final. Horsemen should be sure to check in with the race secretary or the Fund's County Fair Inspector to ensure your horse is recorded in attendance. See County Fair Condition #25 for more information

All County Fair events are operated under the rules of the U.S. Trotting Association and the conditions of the event.

If you have questions, please call the Fund at 518-388-0178 or email info@nysirestakes.com

Of this amount, 45% will be apportioned to the two-year-old events and 55% to the three-year-old events. The two amounts will be divided equally for colt and filly events. In addition, each participating fair will receive a proportionate share of all nomination and sustaining fees received from those eligible to these events. Purses will be made up of these Fund monies, plus declaration fees. If an individual race purse, including declaration fees, does not equal \$2,000, the Fund will supplement that purse to reach \$2,000. NEW YORK SIRE STAKES COUNTY FAIR 2021 – CONDITIONS

(23) Out-of-Competition Testing: Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes, including the Excelsior Series and County Fair races, for the respective year that the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

(24) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at the time of declaration to the finals or consolation. In the case of a positive drug test, all appeals will be excluded from eligibility to the finals or consolation, if scheduled, unless they are resolved by adjudication prior to declaration. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

Should any participant in the Sire Stakes program be notified of a positive drug result, he/she must notify the Agriculture and New York State Horse Breeding Development Fund within 10 days upon receipt of the notice that they demand a hearing. Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Schenectady, New York 12305.

(25) Cancellation: Should circumstances prevent the racing of any County Fair Series races, with the exception of the finals, or consolation race (if scheduled), a race or races may be canceled. County Fair races must be held the day advertised with no carry-over. The race may not be declared off until the published first post time. The purse money will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. Each horse on the grounds for the uncontested event at the time of declaring off will be awarded 10 points and the event will count as a start for the County Fair Series final or consolation, if scheduled. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation, if scheduled, as per the NYSGC Rule 4114.3. The final or consolation events, if scheduled, shall be held in cooperation with a licensee harness track in this state.

(26) All questions of ELIGIBILITY will be decided by the Fund. For those races in which pari-mutuel wagering is available ELIGIBILITY will be decided by the Fund and the New York State Gaming Commission.

(27) When an owner has outstanding debts owed to any track or the Fund, every horse owned in whole or part by that owner may be subject to be declared ineligible by the Fund or any track the horse is entered at or subject to be possibly scratched by the judges and not allowed to start in any New York Sire Stake Race, including Excelsior Series and County Fair Races, until such time that debt and all fees are collected.

(28) The Fund will allow counties that do not have a race track at their fair grounds to race county fair races at a horse track that is in the county. Such county fair organization must request such off-site racing by petitioning the Sire Stakes program before April 1, 2021 by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Schenectady, New York 12305 stating the unavailability of a track at their fairgrounds and providing a plan of how the agricultural mission as provided for in Article 3 of the Racing, Pari-Mutuel Wagering and Breeding Law, which provides in part for the Sire Stakes program, will be addressed at such off-site location.

IMPORTANT NOTICE

Animal Health Requirements

For Admission to New York State County Fairs (Part 351 of NYS Agriculture & Markets Regulations, AI-202 1/10)

RABIES VACCINATION:

Rabies vaccination is required for all horses that are 4 months of age or older on the date of admission to the fair. The vaccine must have been administered within 12 months prior to the date of arrival at the fair. The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.

ACCEPTABLE PROOF OF RABIES VACCINATION:

Acceptable proof of rabies vaccination must include a signed written statement from a Category 2 accredited veterinarian or a valid certificate of veterinary inspection that has the vaccination listed and is signed by a Category 2 accredited veterinarian. Acceptable proof of vaccination must include the name of the product used, the date of administration and the duration of immunity. If the statement of rabies vaccination is included on an Equine Infectious Anemia (EIA) test record, it must be signed separately, in addition to the required EIA test-record signature.

Note: Rabies titers are not acceptable proof of rabies vaccination and cannot be used to meet entry requirements.

NEGATIVE EQUINE INFECTIOUS ANEMIA (EIA) COGGINS TEST:

This test is required for all horses 6 months of age or older. The horse must be accompanied by a valid, negative EIA test record. The sample collection date for the qualifying EIA test must have been on or after January 1, 2020 (for racing in 2021) for New York origin horses. For imported horses, the test must be conducted within 12 months prior to entry. The EIA test certificate must include a complete description of the horse and digital or electronic Coggins test records require three pictures of the horse.

HORSES OF OUT-OF-STATE ORIGIN:

All horses entering New York State from another state must be accompanied by an official Certificate of Veterinary Inspection (CVI). A CVI is not required for horses of New York origin. The interstate CVI is valid 30 days from the date of inspection. During the fair season (July 1 through Labor Day), valid CVIs can be used multiple times for entrance into fairs. The initial entrance into a fair must be within 30 days of inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a NY state official noting the location of the initial NY fair. A change of health status or a change of eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971 or go to <https://agriculture.ny.gov/farming/fairs> for more information.
