INTRODUCTION

Members of the New York State Legislature

The Trustees of the Agriculture and New York State Horse Breeding Development Fund are pleased to present the Fund's 2023 Annual Report.

Agriculture is one of New York's leading domestic economic sectors and the state is noted for its diversity of products, including Standardbred horses. The Fund administers the New York Sire Stakes program, the nation's oldest harness racing program of its kind. The Fund's primary mission is to promote and preserve agriculture through the promotion of horse breeding and the conduct of equine research in New York State.

The performance of New York-bred horses in the breeding shed and on the racetrack along with demand for them in the auction ring, demonstrate the value of the New York Sire Stakes program. Purses totaled \$12.6 million for New York-bred Standardbreds.

New York Sire Stakes stars showed their skill on all of the state's seven harness tracks and at venues across the country. New York stallions remained among the leading national earners and offspring were highly sought after by breeders. New York-breds continued to garner strong prices at the yearling sales, averaging \$52,810 and \$90,119 at both premier sales in the country, the Standardbred Horse Sales Yearling Sale and the Lexington Selected Yearling Sale, respectively.

As the demand and quality of New York horses continues to be strong, so will the economic and agricultural benefits that the Standardbred breeding and racing industries provide to the State of New York. The Agriculture and New York State Horse Breeding Development Fund will continue to promote and support this progress and is excited to share these results with you.

STATEMENT OF REVENUE, EXPENSES & CHANGES IN ASSETS

ECONOMIC IMPACT

OVERVIEW

Standardbred racing and breeding in New York State generates \$795 million annually. Racing at the state's seven pari-mutual harness tracks generates capital investments, local jobs and state and local taxes, while the breeding industry drives yearling auctions in the state and agricultural benefits like purchasing of farm equipment and farm products and preserving working farmlands. A 2012 study found that each racehorse in the state generates \$92,100 in economic impact and 80 jobs are created for every 100 horses. Both the breeding and racing of Standardbreds in the state are interconnected to generate the largest possible impact on the economy. As you can see in the chart (next page), since the installation of VLTs at racetracks after 2001, the total economic impact of harness racing in the state increased 190% to \$795 million. During the same period, total jobs generated by the industry nearly tripled to just over 6,500.

RACING

A state breeding program can only be successful if it attracts the quality of stallions and mares that can produce champions. The excellence of New York-bred horses was on display at racetracks around the country in 2023.

Both at “home” and “on the road” our horses earned well for their connections, with a total of 27 bankrolling more than \$100,000 in Sire Stakes action alone. Boston Rocks had a spectacular year receiving over \$300,000 in earnings and received the “Horse of the Year” honors at the Annual Awards Banquet. New York's newest millionaire Twin B Joe Fresh has set a new lifetime mark of 1:48:2 and put away \$842,041 in purses. The success these horses have had should be no surprise as the outstanding breeding program in the state combined with the earnings opportunities provided by the New York Sire Stakes, has drawn owners from across the industry to invest in the exceptional New York yearlings that go to auction each year.

While breeders and owners hope for a horse that can compete on the national stage for the largest purses, yearling buyers demand a strong Sire Stakes program when selecting a horse to ensure

ECONOMIC IMPACT

the greatest potential to earn money and New York provides a secure future. A total of \$12.6 million was distributed as purses for New York-bred horses in 2023.

BREEDING

The New York Sire Stakes is unique in that it requires mares to be bred by stallions within the borders of the state. This means that while other states may only generate agricultural benefits from the stallions residing there, New York also benefits from the mares. Additionally, the state's Breeders Award program incentivizes mares who live in the state for at least 180 days, much longer than it would take to just breed them and confirm pregnancy. This longer stay enhances the economic benefit realized by the state. If the offspring of those "resident" mares perform well in the New York Sire Stakes program, the breeder (owner of the mare at the time of the mating) receives a financial award.

Breeders also generate income from selling offspring at yearling sales. As New York-bred horses continue to be desired by buyers, they will generate strong returns for New York breeders and encourage more investment in the state.

The Breeders Awards program and its financial return to breeders has worked to attract breeders to the state and encourage them to invest greater in their operations.

ECONOMIC IMPACT	2001	2013	% CHANGE
Direct Impact	\$117,100,000	\$336,400,000	+ 187%

EQUINE RESEARCH

The Harry M. Zweig Memorial Fund for Equine Research honors the late Dr. Harry Zweig, a distinguished veterinarian, and his numerous contributions to the state's equine industry.

In 1979, by amendment to the pari-mutuel racing and wagering law, the New York State legislature created the Harry M. Zweig Memorial Fund for Equine Research to promote equine research at the Cornell University College of Veterinary Medicine.

The Harry M. Zweig Committee was established for the purpose of administering the fund and is composed of individuals in specified state agencies and equine industry positions and others who represent equine breeders, owners, trainers, and veterinarians.

The Fund is proud to support the Harry M. Zweig Memorial Fund for Equine Research. This first-rate research helps to provide protection and preventative planning for the equine industry, which in turn helps to ensure a healthy and positive future for the horse racing industry.

By law the Agriculture and NYS Horse Breeding Development Fund contributes two percent of its yearly revenue to the equine research fund.

Twin B Joe Fresh surpasses \$1 million in earnings as star of the 2023 Empire State class

Kilmister

BY TIM BOJARSKI

Standardbreds sired by New York State stallions experienced another great year on tracks across North America by excelling in both stake and overnight events while also placing high on year-end performance lists.

This year's crop of 2 and 3-year-olds yielded a number of notable horses led by second year pacer Twin B Joe Fresh.

Twin B Joe Fresh (Roll With Joe-Fresh Breeze 1:48.2, \$1,440,203) completed her 2022 freshman campaign as the fastest (1:48.4) and third richest (\$598,162) 2-year-old pacer regardless of gender in North America and there was no sophomore jinx for this pacing phenom in 2023 as she came back to go faster and earn more.

Twin B Joe Fresh won her only two starts in the New York Sire Stakes before moving on to a full dance card on the Grand Circuit. There she won the \$250,000 Lynch Memorial at Pocono Downs, \$107,000 Empire Breeders Classic at Tioga Downs, \$400,000 final of the Kentucky Sire Stakes and \$115,000 Glen Garnsey at The Red Mile, \$117,550 Matron Stake at Dover Downs and \$175,000 Fan Duel at the Meadowlands.

By the end of the year, Twin B Joe Fresh had set a new lifetime mark of 1:48.2 and put away \$842,041 in purses, making her New York's newest millionaire. Her 1:48.2 mile tied her as the third fastest 3-year-old female pacer and her earnings made her the richest 3-year-old female pacer and third richest overall pacer in North America, behind her male counterparts Confederate and It's My Show.

On the trot, second year performers Chapercraz and Kilmister found themselves the second and third highest money-winning 3-year-olds as they both stepped up their game from last year.

Chapercraz (Crazy Wow-Chaperess 1:53.4, \$479,384) only had one start at two but came on like gangbusters in his second season. After finishing second in the \$300,000 MGM Trot at Yonkers Raceway and \$350,000 Zweig Memorial at Vernon Downs, Chapercraz won three legs of the NYSS and the \$225,000 final, making him the highest 3-year-old male

trotting money-earner in the NYSS last year (\$256,690). He then closed out his year with a stellar effort, finishing fifth by only 3-1/4 lengths in the \$488,400 Canadian Trotting Derby at Woodbine/Mohawk Park after starting from post 10 and being parked-out the entire mile.

Chapercraz finished the year as the seventh richest (\$474,662) 3-year-old male trotter in North America.

Kilmister (Chapter Seven-Treviso 1:50.3, \$832,359) had an outstanding freshman campaign, but outdid himself in 2024.

He won the \$95,771 Empire Breeders Classic at Vernon Downs, \$50,000 Muscle Hill at the Meadowlands and the \$78,000 Bluegrass Stake at The Red Mile. But he also earned major portions of large purses by finishing second in the \$300,000 Beal Memorial at Pocono, second in the \$400,000 final of the Kentucky Sire Stakes and fourth in the \$450,000 Kentucky Futurity at The Red Mile, only 1-1/4 lengths behind the Dan Patch Award winning 3-year-old trotter of the year, Tactical Approach.

Kilmister's efforts found him tied as the third fastest (1:50.3) and ninth richest (\$418,238) 3-year-old male trotter in North America.

Other 3-year-olds to note include Huntinthelastdollar (Huntsville-Eighthunrdolarbill 1:49.2, \$489,393) who was the top money-earning (\$230,966) 3-year-old male pacer in the NYSS, Earthwindfire (American Ideal-Road Bet 1:50.4, \$629,915) who finished as the top earning (\$204,166) 3-year-old filly pacer in the NYSS and Dame (Dude's The Man-Seat By The Window 1:52.2, \$486,407) who won both the \$225,000 NYSS final for 3-year-old filly pacers and the \$150,000 final of the Massachusetts Sire Stakes after sweeping all three preliminary legs. The crop of New York-bred 2-year-olds was another outstanding group whose numbers ranked highly among their peers across North America. That group was led by pacer Boston Rocks and trotter R Melina.

Boston Rocks (Boston Red Rocks-Scirocco Sarah 1:54.1, \$352,922) never missed the board in the NYSS, winning three

legs with three seconds and a third before taking the \$225,000 final, earning him 302,862 from state starts alone. He then went on to finish second by a neck in back-to-back stakes in the \$87,000 Bluegrass Stake and \$71,000 International Stallion Stake at The Red Mile. He then finished third in the Breeders Crown elimination and was eventually sixth in that \$600,000 final.

Boston Rocks finished the year as the sixth richest (\$352,922) 2-year-old male pacer in North America.

Fellow freshman pacer Legendary Hanover (Huntsville-Lillian Hanover 1:50, \$303,114) only had nine starts in 2023 but made them all count. After winning six straight races at Woodbine/Mohawk Park that included five Ontario stakes, Legendary Hanover finished second in the \$717,800 Metro Stake and second in his elimination of the Breeders Crown at Hoosier. In the \$700,000 final, he was parked out in a fast quarter and half and faded late in a valiant effort.

Legendary Hanover's mark of 1:50 tied him as the fourth fastest 2-year-old pacing colt and the eighth richest (\$303,114) in North America.

Turning to the trot, R Melina (Chapter Seven-Goodtogo Hanover 1:53.1, \$374,405) registered three wins in the NYSS before making an untimely break in the final. But she made her way to the Grand Circuit after that and bounced back sharply. She went on to win the \$266,000 Kentuckiana Stallion Stake at Hoosier Park, the \$138,000 Matron Stake at Dover and her elimination of the Goldsmith Maid at the Meadowlands before finishing third, beaten only 1-1/4 lengths in that \$428,000 final.

R Melina finished the year as the third fastest (1:53.1) and third richest (\$374,405) 2-year-old trotting filly in North America.

Another freshman trotting filly who made headlines was Date Night Hanover (Chapter Seven-Don't Wait Up 1:53.4, \$309,245). She won two early NYSS events before shipping to Kentucky for summer stake action. There she won a leg of the KYSS and the \$400,000 final before garnering checks in the \$86,000 Bluegrass Stake and the \$86,500 International Stallion Stake. She also finished third in her elimination of the Breeders Crown, but made a break in the \$700,000 final.

Date Night Hanover ended 2023 as the sixth highest money-earning (\$309,245) 2-year-old trotting filly in North America.

Trotting colt Keep Asking (Chapter Seven-Sensibility 1:54, \$283,813) won two divisions of the NYSS but experienced bad luck in the final as he was parked out from post eight for more than half a mile and finished eighth, although only beaten

three lengths. But Keep Asking moved to Massachusetts to end his season and ran off three consecutive wins in the MASS before winning the \$150,000 final. Those victories pushed his earnings for the year to \$283,813 and made him the fifth richest 2-year-old trotting colt in North America for 2023.

There were also six great examples of the longevity of the New York-sired Standardbreds as six aged millionaires from the Empire State were still competing long after their stake eligibility had expired.

The 8-year-old pacing gelding Covered Bridge (American Ideal-Stonebridge Kisses 1:48.3, \$1,135,855) had the best year of his life in 2023 as he won 18 races and \$528,925 in purses competing against the best Open pacers in North America.

7-year-old Racine Bell (So Surreal-Ty's Artist 1:47.2, \$1,164,749) continued to face the top Open pacing mares around and added nine more wins -- her second best yearly total ever -- and \$211,353 in purses.

The venerable 13-year-old JL Cruze (Crazed-Topcat Hall 1:49.4, \$1,897,476) just kept going and won 11 more races in 2023, making it the second winningest season of his career.

That list also includes 9-year-old American History (American Ideal-Perfect Touch 1:47, \$1,561,817), 11-year-old Dayson (Conway Hall-Nervey's Taurus 1:51.2, \$1,373,299) and 8-year-old American Mercury (American Ideal-Tessa Hanover 1:49.3, \$1,071,280).

New York's top stallions for both gaits put up big numbers again in 2023. The state leader on the trot was Chapter Seven, who had 64 3-year-old starters earn \$4,524,069 and 70 2-year-olds make \$3,403,400. That placed him second for earnings among all trotting stallions in North America. His 224 combined all-age starters in 2023 earned a total of \$11,165,062.

On the pace, Huntsville saw 91 of his 3-year-old starters earn \$4,748,151 and 72 2-year-olds make \$1,888,189 putting him fifth among his North American peers for money banked at the end of the year. His 241 all-age starters earned a combined \$10,132,810.

American Ideal had 95 2-year-olds earn \$2,989,789 and 63 2-year-olds earn \$1,289,462, but his 241 all-age starters earned a combined \$16,627,866, ranking him fourth overall among all pacing stallions in North America.

New York stallions have led the way by consistently producing solid stake winners year after year who compete at the highest levels both in the state and across the country. And with purses increasing each year, their offspring continue to draw owners who invest in New York and keep harness racing strong and viable in the state.

NEW YORK SIRE STAKES PROGRAM

NEW YORK SIRE STAKES

The most talented NY bred two- and three-year-olds vie for enhanced purses at pari-mutuel tracks throughout the state.

EXCELSIOR SERIES

A second-tier program designed for late blooming two-and three-year-olds, with multiple legs leading to a lucrative final for the leading point earners in the series. Part of the Excelsior series includes the State Fair series pari-mutuel meet that features two- and three-year-old races for New York-bred trotters and pacers. Additionally, three-year-old races are held at Goshen Historic Track.

COUNTY FAIR SERIES

Championship races at each age and gait give New York State's local summer fairs a unique twist. It's the best "earn as you learn" program in Sire Stakes racing with non pari-mutuel racing at 19 agricultural fairs throughout New York State.

The New York Sire Stakes is the state's premier harness racing program designed to promote the breeding, buying and racing of Standardbred horses in New York State. The New York Sire Stakes is the nation's oldest harness racing program of its kind.

INDUSTRY COMMENTS

“ New York breeds the best horses in the country. They’ve got great stallions and great people that are involved. It’s family and a lot of fun.

Anne Morgan, Owner and Breeder at Mill Creek Farm

“ I enjoy being able to go everywhere in the state. I’ve always enjoyed the Fair circuit; I’ve done it since I started racing and that was awhile ago. I really do enjoy the Fairs and how horses see a lot and mature from it.

Henry Westbrook III, Driver and Trainer

“ The breeding program is getting stronger every year and therefore there are better horses every year. New York Sires Stakes (racing) is the best and is much better than other states.

Donald McQueen, County Fair Horse Trainer

“ We need the Fair (races). We have to have them. I would have nowhere to race these horses if I didn’t race them at the fairs. We look forward to the Fairs every year – we love it.

Misty Carey, Owner and Breeder of Misty Carey Stable

“ I love New York’s program. It’s very accessible. I love the breeding. I think New York has a very good Sire Stakes program.

Deborah Daguet, Owner and Trainer

“ This is the best program; I honestly think it’s the best Sire Stakes program out there.

Blake Macintosh, Owner and Trainer
